## A GIRL'S BEST FRIEND

I've always thought that if I did have the money to drop on a spectacular piece of jewelry, I'd prefer to have something unique made for me. I'd want my piece to be mine, and not the same thing you can see on every other rich woman in Holt Renfrew on a Saturday afternoon. So, I decided to check out Linda Penwarden Jewelry...

## goody-two-shoes

Style always comes first, but if you have the choice of style that's ethical, well that's just like a finding the golden ticket. Under the Canopy's line offers only the most sophisticated, luxurious, high quality, comfortable and fashionable styles. Their products are made from innovative organic fibers and fiber blends such as organic denim, organic cotton angora and soy.

## yearn and lust hunger desire *Covet* crave

The NET-A-PORTER sale is on! Not that this puts all their heart-wrenching merchandise in our price-range. But, a girl can dream. And you might as well dream about the crème de la crème, such as this blue-and-white striped short sleeve seersucker bib front blouse from Chloe. For those of you looking for on-sale investment pieces, this is a site to frequent.

## BOY'S CLUB

In the ongoing quest for the perfect man-bag, some are turning to utilitarian satchels traditionally used by fishermen and hunters. While it may seem strange to see these bags in chic city boutiques, they finally offer a distinctively masculine and traditional option for the man-with-bag-about-town.
